

How to submit plasmids to [plasmidsaurus](https://www.plasmidsaurus.com/) for full-length vector sequencing (TCH @ 09/25/2023)

1). Register/login [plasmidsaurus](https://www.plasmidsaurus.com/) website: [https://www.plasmidsaurus.com/index/tche@uchicago.edu // ucmolab2023](https://www.plasmidsaurus.com/index/tche@uchicago.edu//ucmolab2023)

2). Submit your plasmids (based on sizes) for a quote:

Sample type	Category	Size	Conc	Min. vol	Price/sample
Plasmid	Standard	2.5-25kb	30ng/uL	≥10uL	\$15
	Big	25-125kb	50ng/uL	≥20uL	\$30
	Huge	125-300kb	50ng/uL	≥40uL	\$60

3). Once receiving the quote, submit an PO request to BuySite under the name:

SNPsaurus LLC DBA plasmidsaurus
1850 Millrace Dr Ste 200
Eugene, Oregon 97403 United States
541-514-0871

4). Complete/submit the order on [plasmidsaurus](https://www.plasmidsaurus.com/) website with the PO#.

5). Drop your samples to the company's on campus

DropBox: #169 University of Chicago

Location: KCBD, 1230H, under the shark sign

Pick-up: Monday & Wednesday 12:00 PM

Company's Instructions: Simply place your order in our dropbox and enjoy free overnight shipping! No shipping envelope required, **just put your samples and order confirmation in a bag or Falcon tube.**

Please go to the [Dropbox Map](#) or the [Dropbox List](#) below to find a plasmidsaurus dropbox near you. You can find information about dropbox pick-up times and locations on the map or from the list. Our dropboxes reduce our impact on the environment by combining samples from many researchers into a single shipment. If there is not a dropbox at your institution already, get in touch and we will get one set up!

6). Results will be emailed to the user.
