

How to Get Access to Carlson Animal Use and Care Facility
Compiled by Jeffrey Luo, 8-18-2003

Animal Resources Center (ARC)
<http://arc.bsd.uchicago.edu/>

Contacts:

Lloyd Taylor, mgr, small animals and biosafety: 4-3487
Curtis Wilkerson, mgr large animals: 4-1812; 7998(p)
Caroline-clinic tech (for OR): 4820(p); 702-9370
Craig Waldrip, vet; 702-9361

For certification:

First see website for Carlson facility <http://arc.bsd.uchicago.edu/carfacc.htm>
Or for biosafety (ie virus) <http://arc.bsd.uchicago.edu/bsfacc.htm>

Schedule a tour with Curtis for large animals (rabbits)

Schedule a tour with Lloyd for Biosafety facility (and small animals)
Meet with Craig and Caroline for a tour of OR facilities, schedule surgery times,
discuss special requests, etc

Once a month (first Tuesday), there is an info session in M137. You need this meeting to be formally certified, but if you have done everything else, they will give you provisional entry.
